

# ALLIANCE SC

The **ALLIANCE SOCCER CLUB**, based in Civic Park in **Reynoldsburg**, provides club based training for boys and girls age 8 through 18. Our focus is on total player development in a competitive team environment. The success of the club is seen in the success of its teams in league and tournament competition and by the success of its players at the club, high school, and college levels.

ASC offers an extraordinary value in club soccer. The club is able to provide an exceptional experience at a reasonable cost through the volunteer support of its members. A fee summary will be distributed at tryouts detailing the total cost of participation. Scholarships are available for families with financial need.

### STAFF:

Director of Coaching Matt Knorr and Technical Director Phil Knorr are nationally licensed coaches with extensive experience at the club, High School, and collegiate levels. The coaching staff are all licensed and have wide-ranging soccer experience.
