

ALLIANCE SC

Tired of clubs that promise one thing at tryouts, but deliver something different during the year?

**THEN COME TO ASC-
WE SAY WHAT WE DO, AND DO WHAT WE SAY!**

The **ALLIANCE SOCCER CLUB** provides unified training for boys and girls age 8 through 18. Our focus is on total player development in a competitive team environment. The success of the club is seen in the success of its teams in league and tournament competition and by the success of its players at the club, high school, and college levels.

ASC offers an extraordinary value in club soccer. The club is able to provide an exceptional experience at a reasonable cost through the volunteer support of its members. A fee summary will be distributed at tryouts detailing the total cost of participation. Scholarships are available for families with financial need.

STAFF:

Director of Coaching Matt Knorr and Technical Director Phil Knorr are nationally licensed coaches with extensive experience at the club and collegiate levels. The staff they oversee are all licensed and have wide-ranging soccer experience.

*U8 players have the option of participating in the Alliance Soccer Academy program, or trying out for a U9 select team. A small number of U8 players are allowed to be on a U9 select team according to league rules.

**Tryouts are held at Civic Park in Reynoldsburg
Registration starts at 5:30 PM weeknights and 9:30 AM Saturdays at the concession stand
Tryouts begin 1/2 hour after the start of registration and will last no more than 1.5 hours
Players should come prepared with shin guards, soccer shoes, ball and water bottle
Attendance is not required every session of tryouts (at least two sessions are recommended)**
